Chairman's Message

Mr. Ahmed Mottaki

As Mianz College marks 19 years of service, we proudly reflect on our growth from 19 students to over 15,000 graduates. With 78% now contributing to public and private sectors—and many succeeding as entrepreneurs—our mission of empowering communities through quality education remains strong. Our commitment to agriculture, sector development, and impact investment reflects our belief that a self-reliant nation begins with knowledge and opportunity. To our graduates: today is your day.

Congratulations on reaching this milestone with resilience and determination. Challenges exist to strengthen you—face them with courage, keep learning, uphold your values, and pursue your dreams with consistent action.

*My heartfelt thanks go to our dedicated rector Ms Lamya Abdul Hadhee, my colleagues and lecturers whose passion, guidance, and unwavering commitment make this mission possible. Mianz College stands as a *Qaumattakah*, guided by Mohamed Thakurufaan: “Meehun Meehunmah Vaanee Meehun Meehunna Hedheema.*

Rector's Message

Ms. Lamya Abdul Hadhee

It is with immense pride that Mianz College celebrates the 1,658 students graduating this year across six diverse levels of study. Your dedication, perseverance, and commitment to excellence reflect the very spirit of our institution.

As graduates of Mianz College—at the heart of the Maldives, a nation of extraordinary beauty yet ecological fragility—you bear a unique responsibility. Your education has prepared you not only for professional success but also to be ethical leaders, innovators, and guardians of our environment. Approach every challenge with readiness, creativity, and national pride.

Today marks the beginning of your lifelong journey as learners. In an ever-changing world, your ability to adapt, innovate, and continue growing will define your success. Carry forward the values instilled at Mianz College—excellence, innovation, ethical leadership, readiness, and national pride—and let your achievements inspire others toward a brighter, sustainable Maldives.

Congratulations, and may your future be filled with purpose, success, and endless possibilities.

Mianz College

What began as ICCD with just 19 students and one passionate educator, our founder Mr. Ahmed Mottaki, has evolved into one of the nation's most dynamic educational institutions. The early days focused on Business Management, Human Resources, and English Language studies but the vision was always greater: to shape capable, confident, and community-driven individuals.

As the institution grew into IIPD, and later MI College, it expanded its academic portfolio to include postgraduate and degree programmes across Business, Education, and Technology including Software Engineering, Human Resource Management, and Master's programmes in Education, Business Administration, and Information Technology.

Innovation has remained at the heart of the college's growth from launching Robotics and Software Engineering programmes to introducing the School of Agriculture and Certificate III in Gardening, a key step towards supporting sustainable development in the Maldives. The college has proudly received recognition for its contributions, including the Special Agricultural Day Memento and consecutive Gold 100 Awards.

Our Mission

To be the pride of the nation—uniting world-class excellence, innovation, and ethical leadership.

Our Vision

We transform learners into ethical, career-ready nation-builders through globally recognised, innovative education.

Ideals & Values

Highlights of 2025

Thailand Study Trip

21 March 2025

Students from the School of Agriculture embarked on a five-day study trip to Thailand, gaining firsthand experience in the country's advanced agricultural practices.

The trip bridged the gap between theory and practice, as students explored Thailand's innovative farming techniques, sustainable agriculture models, and agribusiness development.

They visited agricultural markets in Bangkok to understand the dynamics of the sector and travelled to the Sam Phran District, renowned for its orchid farms, to learn about orchid cultivation and fertilization methods.

This international exposure reflected Mianz College's dedication to experiential learning and preparing students to contribute effectively to the Maldives' agriculture sector.

Futsal Tournament

15 May 2025

Mianz College students actively participated in the Dhiraagu MNSU Futsal Fiesta 2025, competing in both the Men's and Women's categories.

Our teams showcased exceptional teamwork and determination, advancing to the Quarter Finals and proudly representing the college spirit both on and off the field.

Let's Green It Donation

17 May 2025

As part of the Let's Green It initiative, Mianz College donated over 6,500 plants across the Maldives, reinforcing its ongoing commitment to environmental sustainability and community well-being.

PSM Memorandum of Understanding

22 May 2025

Mianz College signed a Memorandum of Understanding (MOU) with Public Service Media (PSM), marking an important milestone in establishing collaboration within the areas of education, media, and creative development

Visit by His Excellency Faisal Naseem

3 July 2025

Mianz College had the honour of welcoming the Former Vice President of the Maldives, His Excellency Faisal Naseem, to the Malé Campus. During his visit, he toured the facilities and engaged in discussions with the Executive Committee on developing hospitality programs and advancing higher education opportunities.

The college expressed heartfelt appreciation for his valuable insights and continued support.

Launch of Pearson BTEC Higher National Centre

3 July 2025

The launch of the Pearson BTEC Higher National Centre marked a major milestone in delivering internationally recognised, career-focused education at Mianz College.

The ceremony was graced by Mrs. Jane Penelope Baker, Vice President of Pearson UK & International Business Development, and Mr. Suriyakumara Tikiri Bibile, Deputy General Manager for Pearson Sri Lanka and Maldives.

Through this partnership, Mianz College will empower students with global qualifications and industry-relevant skills.

Rebranding to Mianz College

15 August 2025

On August 15th, the institution officially transitioned from MI College to Mianz College, symbolizing a new era of growth and innovation.

The Rebranding Event showcased newly introduced courses and a renewed vision to nurture career-ready individuals.

This milestone reflected Mianz College's promise to go beyond providing certificates focusing instead on equipping students with the skills, confidence, and experience to succeed in the modern world.

Movie Gala Night

22 September 2025

The Mianz College Movie Gala Night was a celebration of creativity and innovation. Students from the Faculty of Science and Information Technology showcased captivating short films that highlighted their storytelling, technical, and production skills.

It was a proud moment for the college community, celebrating the creative potential of its students.

HR Competency Framework Workshop

11 October 2025

Students gained valuable insights from Mr. Fahdhulla Yaameen during a session on the T-Shaped HR Competency Framework, learning how to build versatile HR skills and create thriving workplace cultures.

Cake & Plant

24 October 2025

The Cake & Plant Fest at Mianz College Addu Campus brought together students, associates, and the local community for a day of creativity, sweet treats, and celebration. The event reflected the college's vibrant community spirit and its dedication to fostering togetherness and joy through shared experiences.

Vara Expo

6 November 2025

VaraExpo, part of the National Skills and Career Expo 2025, was an educational exhibition organised by the Ministry of Higher Education, Labour and Skills Development. Held at Hulhumalé Central Park, the event brought together institutions, students, and industry partners to showcase opportunities in skills development and higher education. The expo featured informative booths, hands-on activities, and education guidance sessions, offering students a meaningful and inspiring experience while promoting learning, innovation, and future readiness.
